

WIDER AND DEEPER

KL 2018

FICMI'S
FOUR-YEARLY
INTERNATIONAL
FAMILY MEETING

22-26 MAY 2018

IN VIBRANT
KUALA LUMPUR,
MALAYSIA.

WE AIN'T SEEN NOTHING YET!

Every four years we gather the whole FICM family from around the world together for a great time of fellowship, worship, sharing, and focusing on the vision God has given us to equip the Church worldwide to make disciples. We are working in around 40 countries and there is an acceleration underway. But we ain't seen nothing yet!

If you play any part in Freedom In Christ Ministries, you and your family are warmly welcomed to **Wider And Deeper** in May 2018 in the vibrant city of Kuala Lumpur ("KL"), the capital of Malaysia.

Our theme – “wider and deeper” – is about our vision to spread the FIC message to more and more Christian leaders whilst helping them take it to a deeper and deeper level in their own lives. So that they go on to lead their people into freedom and fruitfulness.

KL is a clean, modern city, a melting pot of Asian culture where English is widely spoken. It's great value too (a Big Mac costs \$1.80) and we'll be there during a cheap time for travel so we've got a fantastic deal at a superb hotel. KL has great flight connections so is easy to get to. It's also a fantastic base from which to explore Asia with cheap flights to destinations such as Thailand (Bangkok is less than \$70), Japan, Korea, China, Sri Lanka, and India.

We will continue our tradition of generosity by inviting those who have more than enough to give to those who need some assistance to make the trip so that all of our National Directors and Representatives can be there, regardless of their financial circumstances.

Do please register your interest (without commitment) on the website and we'll keep you up to speed with all the details in the coming months.

See you there!

Steve and Zoë Goss

JOIN US AS WE FOCUS ON THE VISION GOD HAS GIVEN US TO EQUIP THE CHURCH WORLDWIDE TO MAKE FRUITFUL DISCIPLES.

FELLOWSHIP

There's nothing like being with family! Meeting colleagues from around the world and hearing what God is doing through FICM is incredibly encouraging. You will see old friends, make many new friends, and return with some amazing stories to tell. There will be plenty of time for hanging out together, praying with one another, and chatting over a meal.

EQUIPPING

There will be devotionals, seminars, and various equipping tracks designed to help you draw close to God and fulfil His calling in your life and your ministry in FICM. Whether you are a national ministry leader, member of a country team, or a family member who has come along in support, there will be something for you.

PRAYER

We know that this is His ministry, not ours, that if we do not remain in Him, we will accomplish precisely nothing. That's why our time together will include an emphasis on prayer: for different country teams, for breakthrough into new countries, and for each other.

A TIME OF FELLOWSHIP, FOCUS ON GOD, AND FUN.

TEACHING

We need to live our own message and there isn't one of us who couldn't take it deeper into our own lives. You will be helped to do that by some of our leaders from around the world as they open up God's Word to us. This is also an opportunity to become acquainted with the resources that FICM has produced, including the new version of the Freedom In Christ Course and a new resource for children.

WORSHIP

If their personal circumstances allow, Wayne and Esther Tester will be joining us to lead our worship. Wayne is a multi-award-winning songwriter who once had 3.7 billion people listen to one of his songs at one time. When he went on a FIC Course and discovered who he was in Christ, he threw all the awards away and wrote "Worship In Spirit And Truth", a new album inspired by FIC's teaching.

FUN

There will be time to sample Malaysian culture and see some of the sights together. Come prepared too to show off your God-given talent as a singer, comedian, actor, or whatever you can do for yet another of our great "FICM's Got Talent" shows!

GRANTS AND GIVING TO ONE ANOTHER

Bringing so many people together is an not a cheap exercise and we have thought long and hard about the benefits versus the costs. Our conclusion is that it is essential for members of our international family to meet face-to-face once in a while and that this event will provide such a boost to the ministry that it will be well worth it.

Nevertheless for many, especially those outside the more affluent economies, finance will be an issue. We are therefore encouraging those who can afford it to make a donation when they book so that key members from every country team can be there. Please be generous in your gifts.
