# SPECIALIZED RESOURCES

## THE GRACE COURSE

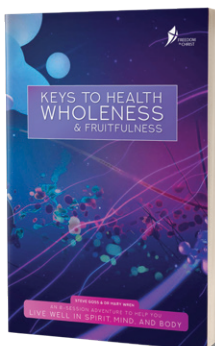

The Grace Course is a straightforward, effective way for churches to help Christians understand God’s grace and be motivated by God’s love alone, so that they go on to bear “much fruit.”

It provides powerful, practical ways to submit to God, identify faulty thinking, and renew the mind. Live a fruitful Christian life simply by being the person God made you to be. Don’t “perform” any longer for God or other people but learn to serve out of love.

## FREED TO LEAD COURSE

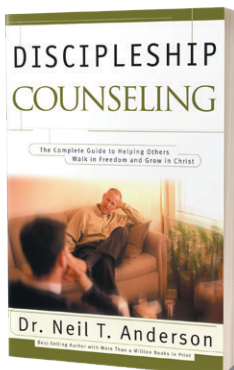

Freed to Lead is a 10-session discipleship course for Christians in leadership positions of any kind, or Christians who think they may become leaders in the future. It can be run in weekly sessions or all in one go as a retreat. Participants will learn how to lead from their identity in Christ so that they are authentic and real and become the sort of people that others love to follow. They will learn how to avoid burnout, survive personal attacks, and use conflict positively.

## KEYS TO HEALTH, WHOLENESS & FRUITFULNESS

Keys to Health, Wholeness & Fruitfulness is an 8-session video-based discipleship course for every Christian. It is ideal for small groups or individuals. It has eight main sessions, two optional extra sessions, and a ministry component.

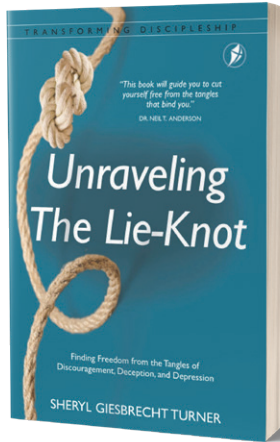

Join our adventure to bring together truth from the Bible and wisdom from the medical world to equip you to be a healthy, whole disciple of Jesus whose life really counts. Realize the power of your identity in Christ.

## DISCIPLESHIP COUNSELING

Building on the concepts found in Victory Over the Darkness and The Bondage Breaker, Neil Anderson provides clear information and excellent models to help you understand what discipleship counseling is all about.

If you are a pastor, counselor or lay leader, the Encourager’s Training Manual will be a great accompaniment to this resource as you become more comfortable, confident and competent in your role as an encourager.

## UNRAVELING THE LIE-KNOT

Unraveling the Lie-Knot Book & Study is a 12-session discipleship course for every Christian woman. Whether we realize it or not, we have come to believe things that are not actually true about ourselves. All of us are products of our upbringing and experiences, and those false beliefs hold us back. It really is possible to silence the thoughts in our heads that have tied us in knots for so long. We can find peace. With the Holy Spirit's help, we can learn to tell ourselves the truth found in God's Word.

Each chapter in the book concludes with short, easily implemented small group study questions and guided journal opportunities that will help the reader:

- uncover areas of deception holding you back.
- learn how to understand the anatomy of a lie.
- discern the difference between the voices of God and Satan.
- discover how unresolved past trauma affects us and others.
- break through to a deeper level of spiritual maturity and more!

Through this trek to freedom, Sheryl helps participants grow in their faith journey as they study God's word, learn how to combat lies, come against anxiety and break through bitterness. Discover how to identify and "unravel the lie-knot" so that you can move forward and become a fruitful disciple of Jesus.

## WHO I AM IN CHRIST

Use them yourself and share them with friends. Keep in your Bible, organizer, purse or notebook. A great gift for new visitors to your church or for those working through *Victory Over the Darkness* or Lesson 1 of the Freedom in Christ Small Group Bible Study. Challenge small group participants to read the statements on the front out loud each day to cement these truths in their life.

## WORDS FROM THE FATHER

Adapted from the original Who I Am in Christ bookmark. The front scriptures are the same, but worded from the Father to us. The back lists Truths about our Father God (ex. He is Kind and Compassionate). The earthy tones used in this rendering will appeal to both men and women. It is an excellent resource for anyone struggling with their relationship with an earthy father.

## 20 CANS OF SUCCESS

These statements, taken from *Victory Over the Darkness*, give the reader an easily accessible, biblical reminder of how we as Christians have hope and strength to face the challenges of life.
