GENFREE

LEADING YOUNG GENERATIONS TO FREEDOM IN CHRIST

GENFREE.FICM.ORG

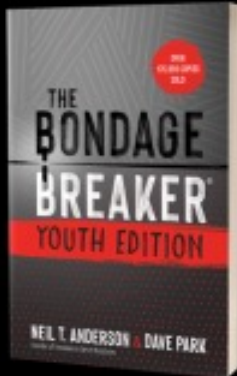

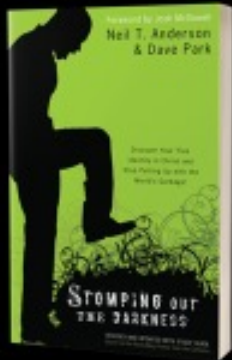

TODAY'S YOUNG GENERATION

- Gen Z born 1999-2015
- Largest demographic group (32% of the global population)
- Have always been wired...digital natives
- Skilled researchers and fact-checkers
- Visual Multitaskers
- Impatient – attention span is 7-8 sec
- Are more accepting of sexual fluidity
- Racially diverse and multiracial
- Independent
- Aware of a troubled planet
- Justice-minded
- Average time on screens: 9-10 hours per day
 - Teens are missing their 2-3 times of REM Sleep, so brain function suffers
 - Self-inflicting identity disorders
- Real Safety is a myth
 - Most Gen Z do not remember the years before 9/11. They do not recall ever having lived in a country at peace
- Their parents are double minded
 - Half say parents are their primary role model, but only 1/3 say that family is core to their identity
